LAURA YEGHIAZARYAN

Sr. Ui/Ux designer

Passionate and enthusiastic designer, who loves nothing more than bringing ideas to life and solving complex problems through design thinking. With a combination of creativity, technical skills, and user-centric thinking, I am crafting products that not only look beautiful but also function seamlessly.

EXPERIENCE

BRAIN ROCKET   APR 2025 - PRESENT
Senior UI Designer - Remote

- Leading the creation of intuitive interfaces—from initial concepts and wireframes to high-fidelity interactive prototypes and UI design—for web and mobile applications
- Collaborating with UX designers, developers, and product managers to translate requirements into pixel-perfect designs
- Streamlining UI workflows and mentoring junior designers on design system adoption
- Conducting UI audits and iterating on existing designs to improve usability and visual appeal

4RABET   SEP 2024 - APR 2025
Senior UI/UX Designer - Remote

- Leading the end-to-end design process, from user research and wireframing to prototyping and high-fidelity UI design
- Developing and maintaining design systems, ensuring consistency across products and platforms
- Translating complex user journeys and business requirements into clear and visually appealing designs

GALAXSYS   JAN 2022 - AUG 2024
Mid UI/UX Designer

- Conducted user research to understand behaviors, needs, and preferences
- Created and developed wireframes, interactive prototypes
- Contributed to design system development for scalability
- Collaborated with cross-functional teams to align goals and implement solutions effectively

UPWORK   JAN 2021 - APRIL 2024
UI/UX Designer - Freelance

- Helped diverse companies to improve their visual designs
- Redesigned existing websites or applications
- Was bringing customers' envisioned ideas to life

TEAM TELECOM ARMENIA   OCT 2020 - DEC 2021
Sales and Customer Care Specialist

- Provided exceptional customer service through various channels
- Utilized CRM tools for accurate record-keeping
- Stayed updated on industry trends and shared knowledge

WAMYS   JAN 2021 - AUG 2021
Product Designer - Remote

- Developed wireframes, prototypes, and mock-ups to visualize design ideas
- Ensured consistency in design elements and interactions across products
- Provided design specifications for development team

VEON • INTERNSHIP   APR 2019 - JUN 2019
Frontend Developer

- Actively engaged in learning opportunities to enhance my front-end development skills
- Assisted in the development of responsive and user-friendly web applications using HTML, CSS, Bootstrap and JavaScript
- Incorporated feedback from senior developers to improve coding skills
